Standards

ELAGSE11-12W4: Produce clear and coherent writing in which the development, organization, and style are appropriate to task, purpose, and audience.

ELAGSE11-12W5: Develop and strengthen writing as needed by planning, revising, editing, rewriting, or trying a new approach, focusing on addressing what is most significant for a specific purpose and audience.

ELAGSE11-12W6: Use technology, including the Internet, to produce, publish, and update individual or shared writing products in response to ongoing feedback, including new arguments or information.

ELAGSE11-12RI7: Integrate and evaluate multiple sources of information presented in different media or formats (e.g., visually,
