"Come One, Come All!"

Create an advertisement (flyer) for one of the many inventions that came out of the Industrial Revolution. Be sure to include the following information:

1. A picture of the invention
2. A catchy phrase or slogan
3. Three ways that the invention has improved life or made a specific task or tasks easier
4. A history of the invention: who invented it, where, when, why, etc.
5. Your sources
