Propaganda was used very effectively during WWI by many governments to convince their people to adopt a certain point of view. The following assignment will help you to see several examples of propaganda used during WWI and to analyze its purpose and effectiveness.

1. Research WWI propaganda on the internet, in books, in reference materials, etc.

Suggested sites include: [http://gulib.lausun.georgetown.edu/dept/speccoll/britpost/posters.htm](http://gulib.lausun.georgetown.edu/dept/speccoll/britpost/posters.htm)

2. Choose two propaganda posters from WWI that interest you. Here's the catch, though, the posters must have originated in different countries.

3. Create a PowerPoint presentation that includes the following:

   A. pictures of your two posters
   B. country of origin for each poster
   C. Techniques used within each poster --- is it trying to scare people with a supposed threat?

      Is it calling up feelings of patriotism and duty? Etc.

   D. Effectiveness of each poster
